WHAT WE NEED FROM THE ADIT TEAM

ORTHO ACCESS

Three ortho posts are ready and there's nowhere to post them. All 14 ortho groups show no access, including Orthodontic Pearls, which Adit sponsors.

DENTISTRY IN GENERAL

Sponsored, but nobody on our side can post there yet. Who can get us in?

LIMITS

Confirm the monthly post limit for Dental Office Managers Leadership Network and Forward Thinking Chiro Alliance, and who posts in Forward Thinking.

LOG EVERY POST

After each group post, paste the link and the numbers into the Group Post Log. This page picks them up every morning. Open the Group Post Log

ORIGINAL FILES

The original video files for Dr. Jinen Shah, Jessica Graham and Dr. Kevin Gee, so groups get a native upload instead of a YouTube link.

TESTIMONIALS

Which verticals are Dr. Solomons, Dr. Samantha Love, Dr. Lindsay Floekey and Dr. Kyle Delk? Their testimonials could fill the dental and chiro menus.

Groups synced from the FB Groups Mastersheet on Oct 26, 11:20 AM PT. Results come from the Group Post Log.
